

Antiox 3

High in vitamin C & antioxidants.

Product Information

A deep red cocktail of tart blood orange muddled with tangy passionfruit pulp.

Lucuma imparts a smooth mouthfeel and sweet maple-like flavour, while purple acai berry adds to the already impressive antioxidant capacity.

Benefits of Antiox 3

Packed full of antioxidant rich fruits, the Antiox 3 provides the body with a boost of immunity and free radical fighting capabilities for those who may be running a little low on energy or with cold and flu like symptoms.

The Antiox 3 also contains high levels of anthocyanin, a water-soluble phytochemical that is not only responsible for giving blood orange it's dark hues but also offers protection from oxidative stress, with research suggesting this amazing property contains potential cancer fighting properties.

Key Ingredients

Lucuma: Pronounced "loo-koo-ma" this subtropical fruit, native to Peru is a rich source of vitamins B1, B2, C, fibre and calcium.

Blood Orange: Like their citrus cousins, the blood orange is a rich source of vitamin C as well dietary fibre, potassium, carotenoids and polyphenols for healthy immune function.
